PLEASE NOTE PROGRAMME CHANGES

Wednesday 22nd May 2024

We have recognized that the AGM and presentations, at the next meeting, will only take up the first half of the afternoon. The Competition entries were adequately dealt with by the judge so we have decided to have a members' event in the second half of the afternoon. Members are invited to present from 1 to 5 sheets on either (or both) "People on stamps" or "New interests or things I have not shown before". Not a competition but hopefully the sparking of comments and discussions. We hope you will want to get involved.
