“First time you’ve been to a philatelic exhibition?”

With  
thanks  
to  
John  
Hunter  
for  
this.

My wife, though sensible in many ways, does not want to collect stamps. However, she did take this W H Smith jigsaw on holiday. Maybe she'll soften in time?

Four interesting items from France for you to comment on, or help me to identify, and to let me know if they're very precious (I would be open to offers)
