COMMITTEE NEWS

The Central United Reform Church is increasing its charges, but after looking at other possible venues, it has been decided not to move. For the time being, the Society will not need to increase your subscriptions.

REFERENCE LIBRARY

If you have any books or reference materials available to loan to members, please let Neil Ritchie know. He is compiling a list of resources. As it develops, Geoff Blackwell will upload a list onto the SPS website, so that members can ask to borrow or consult materials held by others.

MEMBERSHIP SUBSCRIPTIONS

It's that time again!

For the seventh year running, despite inflation, Brexit, the Ukraine war, climate change and reducing membership numbers (or perhaps because of the latter) the subscription remains unchanged at £10 for the coming year.

You can give or send your money to me, Ken Rutter, or to James Hartley. One or both of us will be at most meetings. If you prefer to use Bank transfer, the Society's account details are.

Sort code 54-41-34, a/c 50045733.

If you do that, PLEASE let James and me know

Each edition, I may include images of 'hard to place' stamps for your amusement. If you have an item you can't place, or that you think will test the knowledge of the membership, please send me an image for the next edition of the Newsletter

NEW MEMBERS WANTED

We don't very often get a chance to welcome new members to the Society, though Liam and Paul have recently joined us.

If you know of anyone who might be interested in joining us, please give them encouragement to come to a meeting.

It's cheap, it's warm and there's free tea and biscuits

(not to mention the occasional stamp or cover)
