NEWS

If you have any books or reference materials available to loan to members, please let Neil Ritchie know. He is compiling a list of resources.

Geoff Blackwell is loading these onto the SPS website so that you'll know what is available.

If you want to borrow or consult any of the material which members are making available, you should contact me, and I will arrange for the lender to get in touch

NEW MEMBERS WANTED

**It's been a while since we welcomed any new members to the Society.
If you know of anyone who might be interested in joining us, please give them encouragement to come to a meeting.**

**It's cheap, it's warm and there's free tea and biscuits
(not to mention the occasional stamp or cover)**

TIME TO RENEW YOUR MEMBERSHIP

You can give me your subs any time you like for 2023.

Membership is still only £10

(the free refreshments almost make it worthwhile, even without the company and the philately)

Alternatively, you can transfer direct to the SPS account at

Bank info : 54-41-34, a/c 50045733

But please let me know that you have done so.
